THE SCUTRO PROMISE

At Scutro Fence and Deck, our commitment to quality workmanship and attention to detail sets us apart as the top fence company in the area. We take immense pride in our craft, ensuring every project reflects the highest standards of excellence. Our team is dedicated to customer satisfaction, and we won't consider our job complete until you are 100% delighted with the results. Your vision is our priority, and we bring it to life with precision and care.

We're your go-to for solid, reliable fence and deck installation and building. At Scutro Fence & Deck, we help homeowners turn their yards into useful, good-looking spaces where they actually want to spend time.

With years of hands-on experience, our crew builds more than fences and decks—we build what people want and need, done right the first time. We focus on deck installation and fence projects that match your style, your space, and how you live.

Whether you're thinking about a custom deck for weekend hangs or want a sturdy fence that gives you privacy and peace of mind, Scutro Fence and Deck installation and building gets the job done—start to finish.

Brown Granite EcoStone®

EcoStone®

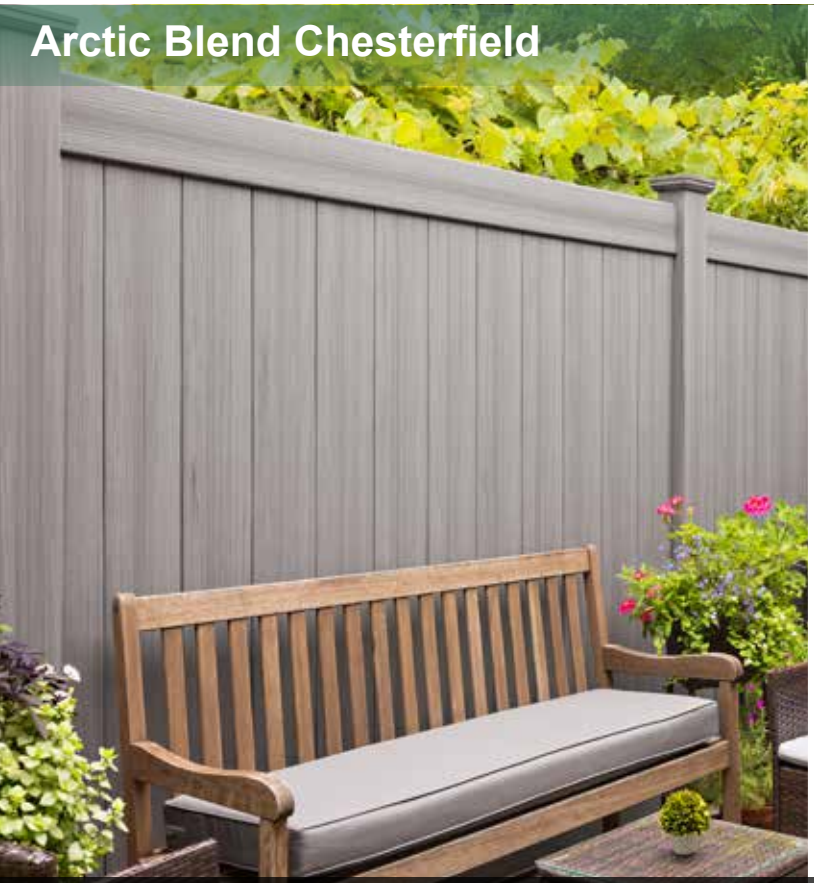
The unique style of the EcoStone molded fence uses our patented design to create a realistic stone appearance. This privacy fence is impact resistant, and also creates an excellent sound barrier – giving you even more seclusion in your backyard.

Gray Granite EcoStone®

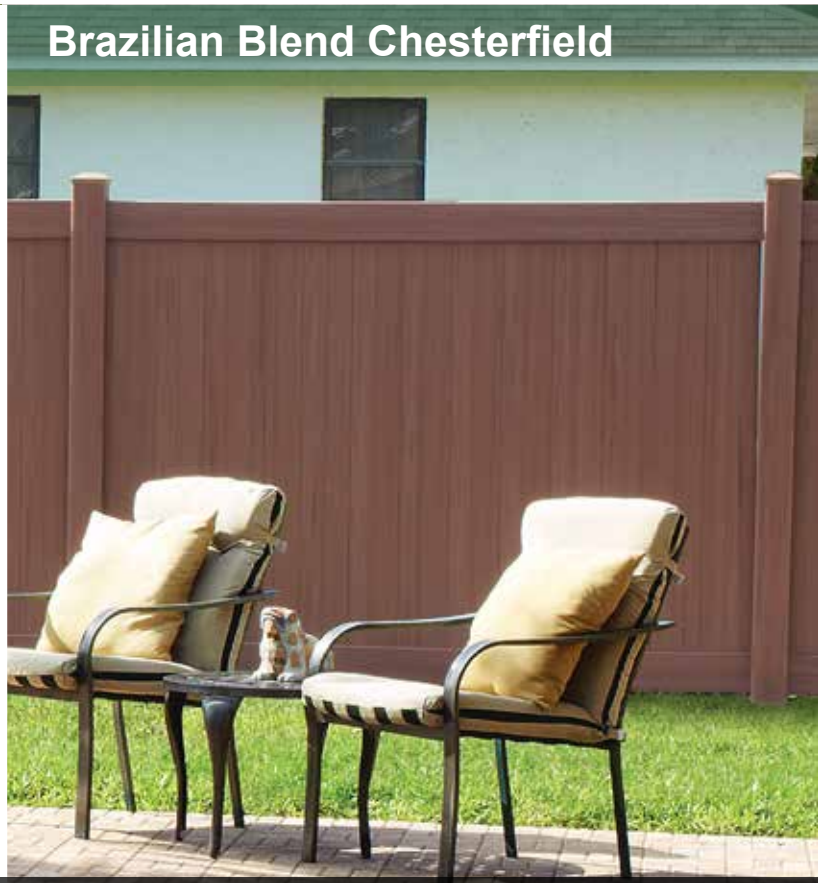
Sherwood®

Extremely durable and beautiful, the Sherwood molded fence with the appearance of realistic wood provides all the beauty of a natural wood fence without the maintenance.

Walnut Brown Sherwood®



Arctic Blend Chesterfield



Brazilian Blend Chesterfield

TimberGrain

Molded from the texture of real wood, TimberGrain vinyl fence mimics the natural grain of wood without the associated maintenance and wear. Precision routing, heavyweight pickets, and internal reinforcement provide a sturdy, clean-looking fence available in four distinct colors that never need to be sealed or stained.

Sierra Blend Chesterfield

Weathered Blend Chesterfield

MIXED MATERIAL PRIVACY

Coastal Cedar Garwood

Why Mixed Material Fencing?

Mixed material fencing is perfect for homeowners looking for a striking and modern fencing option. With a durable, rust resistant aluminum frame featuring a premium powder coat, homeowners have the option of choosing any of our vinyl colors for the infill boards. Homeowners can create the level of privacy they envision — infill boards can be placed either horizontally or vertically for a solid privacy option, or spacer blocks can be added with wood infills for a semi-privacy style.

Plated post option is also available upon request.

*Infill boards sold separately
